

Less of a Man

Vers 1

I swear I didn't cry
There must be something in my eyes
I Said it's A raindrop from the sky
And you laughed it all away, although you knew
it was a lie

Chorus

I'm tired of wiping my tears away
Saying I'm okay
Don't care what they say
Im facing the feelings I used to hide
I'll bear my tears with pride

I'm tired of wiping my tears away
Saying I'm okay
Don't care what they say
Cause facing the feelings that I outran
Doesn't make me less of a man

Vers 2

I used to do
Everything they said
Hear their voices in my head
Thorn by this internal war
It won't control me anymore

Chorus

I'm tired of wiping my tears away
Saying I'm okay
Don't care what they say
Im facing the feelings I used to hide
I'll bear my tears with pride

I'm tired of wiping my tears away
Saying I'm okay
Don't care what they say
Cause facing the feelings that I outran
Doesn't make me less of a man

Stick

Oh it's been so long since I
Faced my fears and dared to cry
But it's time to say

Chorus

That I am tired of wiping my tears away
Saying I'm okay
Don't care what they say
Im facing the feelings I used to hide
I'll bear my tears with pride

I'm tired of wiping my tears away
Saying I'm okay
Don't care what they say
Cause facing the feelings that I outran
Doesn't make me less of a man
