

Oblivion

Vers 1

When your eyes turned ice blue
I swear I didn't have a clue
What to say or do
But we both knew

That It's easier to fall into old habits
Cant run away like your own a scared
rabbit
So I fall to floor
As you close the door

Chorus

Than I fall into the haze
To save me from your gaze
I'm always amazed
How my pain can be erased
For a moment I am empty
Free from a devilish assembly
Than I need someone to help me
Intill i reach oblivion

Vers 2

When my eyes tear up
You tell me my feelings just interrupts
That I'm all to blame
Who makes you aim

Who makes it easier to fall into old
habits
Cant run away like your own a scared
rabbit
So I fall to floor
Knowing I can't breath anymore

Chorus

Than I fall into the haze
To save me from your gaze
I'm always amazed
How my pain can be erased
For a moment I am empty
Free from a devilish assembly
Than I need someone to help me
Intill i reach oblivion
